# Boxta

The Boxta range represents the synergy of ergonomic seat technology and classic clean lines. Together with the modern back design and award winning Dual Density Posture Support seat technology you will be assured that you are sitting in the best possible seating solution, recommended by ergonomists, medical and OH&S professionals. The moulded Polypropylene back Boxta has achieved certification with the Good Environmental Choice Label which recognises products that meet standards of environmental, quality and social performance. Boxta offers a 2 lever seat and back tilt and a synchronised mechanism. This provides the user with a complete range of adjustment. With the options of an upholstered or moulded Polypropylene back outer,

large or small seats and seat slide you cannot go past the exceptional benefits of Boxta. AE1200BH

- Range Features:
