

Lockers

Solution:

Lockers have been designed with the versatility to offer compact and secure storage in multiple working environments. Each locker comes with an Australian made cam lock as standard (Digital & Pad latch locks also available upon request) to ensure the security of personal belongings.

About the Lockers

- Designed with ventilation channels within each door, ensures free flow of air within each unit
- 180 degree opening function to allow for easy access within the locker
- Multiple locker combinations available to meet changing needs
- Reinforced steel doors are built to withstand regular use
- Australian made cam lock fitted as standard to ensure security of personal belongings
- Pad latch & Digital lock options available
- All Lockers are finished in a quality powder coat as standard to ensure a professional looking system
- Card holder provision on each locker door for easy identification

Quality Assurance

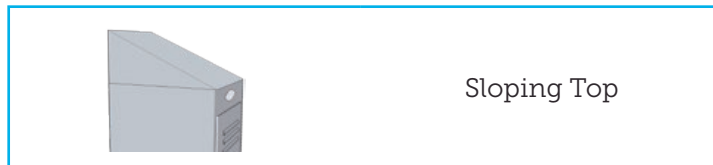

10 year guarantee as standard on all its products. A Life Time guarantee is also available for products on request.

Lockers
