

Rexa: Manual

The sleek, Italian designed Rexa Manual combines sturdy, ergonomic comfort with a contemporary, elegant aesthetic.

Modern, square-backed styling gives this chair a sophisticated edge, making it suitable for many office and executive settings.

Standard features on the Rexa Manual include injection moulded back and seat, adjustable gas lift height and back tilt and manual back height adjustment. Standard black 5-star base, black adjustable arms available. 3 lever models also feature a fully ergonomic seat-tilt option. Complete with AFRDI 6 and GECA Certifications.

Total		11.93	34%	83%

End of Life

This product has a full product stewardship programme for recycling at 5 locations- Sydney, Melbourne, Brisbane, Perth and Darwin.

- ♦ Foams are crumbed and become carpet underlay
- ♦ Steel components are melted down for re-use
- ♦ Alloy is recycled
- ♦ All plastic and nylon parts are sorted into resin codes (eg. PP05 or PPK20) for recycling

Chair Solutions does not just talk about social responsibility and reducing our environmental impact, we DO something about it. Simple really.
